

Declaration

The authors of the manuscript submitted to Acta Veterinaria Brno

.....

.....

warrant herewith that each of them

- has contributed to the intellectual content of the manuscript, has participated in preparation, design and execution of the study
- was involved in obtaining and evaluation of the results
- has participated sufficiently to take public responsibility for interpretations and conclusions given in the work, has approved the submitted version, and will be given the opportunity to approve any revisions
- agrees with the order of names appearing on the paper, and warrants that no author has been omitted; the article does not infringe on the rights of others
- declare that this manuscript is their original work, has not been submitted in whole or in part to other journal/s nor has it already been published elsewhere
- that no results of other persons were used without their proper citation or acknowledgements of their help or materials provided
- that no figures or photographs or other previously published materials of other authors were submitted without due permission of the authors in question and publishers
- that any conflict of interests is duly declared
- that all sources of funding and financial support have been indicated
- that all animal experiments were carried out in consent with the institutional Animal Care and Use Committee or Ethics Committee
- that they have read the journal's Guidelines and agree with the editorial requirements including the payment for publication
- they agree that their paper will be freely available online for open access under the CC-BY license, effective upon publication.

All authors agree that the corresponding author is

.....
address.....

.....
e-mail

phone

The responsibility of the corresponding author is to inform all co-authors about the outcome of the review process and provide the corrected version of the manuscript for final consideration.

The Head of the Department gives consent to the publication of the manuscript
(name in print, signature, stamp)

.....

Important: No manuscript will be handled by the Editorial Office without this Declaration provided and signed by all authors. Please, insert as a scanned document.
